

For Immediate Release

WOMEN'S INTERCOLLEGIATE NIGHT

This weekend at Loyola College will be a big one for the Loyola Tommies Women's Ice Hockey and Basketball teams.

This Friday, January 29th parents and friends have been invited to attend "Women's Intercollegiate Night" when McMaster meets Loyola at 8:00 p.m. on the ice and Queen's University Golden Gals take on the Tommies Basketball team at 8:00 p.m. Both games should prove interesting and entertaining. Both of the visiting universities are fielding strong teams with physical education majors. However, our Tommies will put up a strong battle and hope to come up with a big win.

Also planned for Saturday, January 30th are a Women's Ice Hockey game at 12 noon and a Women's Basketball game at 1:30 p.m. versus the University of Toronto.

All these games are in preparation for the final W.I.T.C.A. (Women's Intercollegiate Two Conference Association) Tournaments to be held in Montreal in February.

Loyola will be hosting the final Intermediate W.I.T.C.A. Basketball Tournament on February 12 & 13th and McGill and Loyola will be hosting the final W.I.T.C.A. Ice Hockey Tournament to be held on February 19 & 20th.
